

A.D.C No. 46/2015/NTC/PFY/SSR/2022

**Government of Pakistan
National Tariff Commission**

Notice of Termination of Sunset Review of Polyester Filament Yarn Pursuant to Termination of Anti-dumping Investigation against Dumped Imports of PFY into Pakistan Originating in and /or Exported from the People's Republic of China and Malaysia

The National Tariff Commission (the "Commission") initiated a sunset review on August 24, 2022, under Section 58(3) of the Anti-Dumping Duties Act, 2015 (the "Act") on the basis of application for sunset review filed by the domestic industry pursuant to the notice of impending expiry of definitive anti-dumping duties imposed on dumped imports of Polyester Filament Yarn ("PFY") from China and Malaysia published in national press and official Gazette on April 21, 2022.

The Commission vide Notice No. ADC No. 46/2015/NTC/PFY, dated November 07, 2023 has terminated the original anti-dumping investigation against dumped imports of PFY from China and Malaysia pursuant to remand order of the Anti-dumping Appellate Tribunal dated December 20, 2022.

Since, the original anti-dumping investigation against dumped imports of PFY from China and Malaysia has been terminated on November 07, 2023, consequently, the sunset review against dumped imports of PFY from China and Malaysia also stands terminated.

This issues with the order of the Commission.
